

# Next Steps in the Committee's Review

**September 28, 2018:** Submit your responses to workshop charge questions and comment on the Committee's approach to the literature review (submit to: [dvorhees@healtheffects.org](mailto:dvorhees@healtheffects.org))

**November 2018:** HEI's Energy Research Committee meets privately to discuss its literature review and to begin discussion of Request for Qualifications (RFQ)

**Late 2018/2019:** Release of:

- HEI report: Epidemiology Literature Review
- Draft HEI report: Exposure Literature Review and Research Recommendations
  - Request for public comment on the draft report
- RFQ and commencement of original population-level exposure research
